Subject: BrixMaritime and Foss Maritime requests for 104(e)  
response deadline extensions

Kristine:

I've been trying to reach you the last two days to request an extension to respond to the 104(e) requests on behalf of our clients Brix Maritime and Foss Maritime. It has become clear to us in the last week that we will not be able to meet our August 18 deadline due to vacation schedules and other unanticipated development and, therefore, will need an additional four weeks to finalize our responses on behalf of these clients. If you could give me a call so we could discuss or respond to this email I would most appreciate it. I am in the office all day. Please have me paged if you call and do not reach me directly.

Thanks Kristine. I look forward to speaking with you.

Regards,

Leslie Schenck
